

CE EG-Konformitätserklärung
EC-Declaration of Conformity

Manufacturer:

Phocos AG, Magirus-Deutz Strasse 12, D-89077 Ulm
Phocos China Ltd., 3/F, 1st building, 4A ChangYi Road, Qingdao 266021, China

Designation of products:

CIS-LED-1050	CIS LED Solar Charge Controller, 12/24V, 20A, 1050mA LED, common positive
CIS-LED-1250	CIS LED Solar Charge Controller, 12/24V, 20A, 1250mA LED, common positive
CIS-LED-1400	CIS LED Solar Charge Controller, 12/24V, 20A, 1400mA LED, common positive
CIS-LED-1600	CIS LED Solar Charge Controller, 12/24V, 20A, 1600mA LED, common positive
CIS-LED-1800	CIS LED Solar Charge Controller, 12/24V, 20A, 1800mA LED, common positive
CIS-LED-1950	CIS LED Solar Charge Controller, 12/24V, 20A, 1950mA LED, common positive
CIS-LED-2100	CIS LED Solar Charge Controller, 12/24V, 20A, 2100mA LED, common positive
CIS-LED-2250	CIS LED Solar Charge Controller, 12/24V, 20A, 2250mA LED, common positive
CIS-LED-2400	CIS LED Solar Charge Controller, 12/24V, 20A, 2400mA LED, common positive
CIS-LED-2600	CIS LED Solar Charge Controller, 12/24V, 20A, 2600mA LED, common positive
CIS-LED-2800	CIS LED Solar Charge Controller, 12/24V, 20A, 2800mA LED, common positive
CIS-LED-600	CIS LED Solar Charge Controller, 12/24V, 10A, 600mA LED, common positive
CIS-LED-700	CIS LED Solar Charge Controller, 12/24V, 10A, 700mA LED, common positive
CIS-LED-800	CIS LED Solar Charge Controller, 12/24V, 10A, 800mA LED, common positive
CIS-LED-900	CIS LED Solar Charge Controller, 12/24V, 20A, 900mA LED, common positive

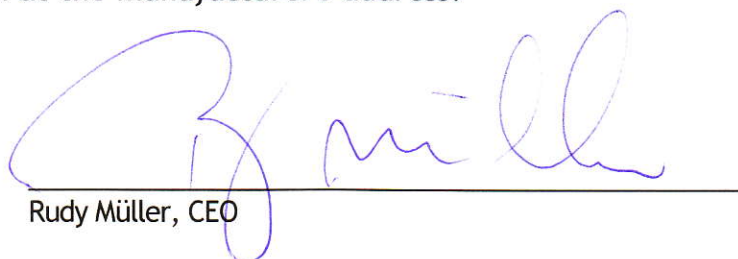

The above mentioned products comply with the essential requirements, which are specified in the following directives. The conformity with this rules is proven by the respect of the following standards:

2014/30/EU Electromagnetic compatibility (EMC)
EN 60730-1:2011

2011/65/EU Restriction of the use of certain hazardous substances (RoHS)
EN 50581:2012

Documentation evidencing conformity with the requirements of the directives is kept available for inspection at the manufacturer's address.
