

## Phocos Reference Project

Application: Urban Greenhouse  
Location: Vienna – Austria  
Phocos product: CIS-MPPT 85/20 (20 A)  
Project: Urban Oasis Vienna - Markus Jeschaunig  
Year of installation: 2017

Installation of one CIS-MPPT (20 A) solar charge controller for urban greenhouse in Vienna heating with subway exhaust air. The CIS-MPPT is charging a battery in the daytime. The battery powers LED daylight lamps by night to have light for the plants in the greenhouse. Info: [www.agencyinbiosphere.com](http://www.agencyinbiosphere.com)
